March 2010

President's Note

Dear Skaters and Families,

The end of the season is quickly approaching and I would, therefore, like to take this opportunity to thank you for being a part of our club and special thanks to all our volunteers. We have all worked very hard this season to provide the most professional coaching with maximum benefits to all sessions. The ice sharing agreement with the Welland Skating Club has proven a successful endeavour for our StarSkate and CanSkate members. Between the two clubs, we were able to offer sessions at times and on days not traditionally available at our Club thereby providing added convenience to our members. The communication between the clubs has been very successful and will continue to improve on all aspects of the operations as a volunteer based non-profit youth based organization.

With all that in mind, keep a watch for some exciting news for what will be in store for next season.

Respectfully Yours

Bruce Watt
